

Help end animal suffering in just five minutes a day!

If you love animals and can spare five minutes a day, the BC SPCA urgently needs your help!

The BC SPCA has a chance to win \$100,000 in the Pepsi Refresh Project, an online grant giveaway in which individuals vote for their favourite community project. We have applied to win \$100,000 to help end pet overpopulation in B.C. Our project will provide low-cost spay/neuter for hundreds of animals and fund research to find solutions to pet overpopulation across B.C.

But we can't do it without you! Vote for us in five easy steps:

1. Visit refresheverything.ca
2. Click on "Join Refresh Everything" in the lower left-hand corner
3. Fill in your information to sign up
4. Go to refresheverything.ca/bcspca
5. Vote for us!

*Once you have signed up, all you need to do is log in each day to vote. Remember to vote **once a day, every day** from **Sept. 1 to Oct. 31!** You have a total of 10 votes a day, but only one vote can be given to any one application in a day.*

Please help save animal lives!
